BIODATA OF THE RESOURCE PERSONS

Prof. Dr. Maria Helena Araújo e Sá is a full-time Professor with tenure at the Department of Education and Psychology of the University of Aveiro, Portugal. She is the Scientific Coordinator of the Research Centre on Didactics and Technology in Education of Trainers (CIDTFF) and Director of the PhD Programme in Education. Her research and publication areas include Inter-comprehension, pluri-lingual, and intercultural education. She has extensive experience in training in international contexts, particularly in language education.

Prof. Dr. Filomena Martins is an Assistant Professor at the Department of Education and Psychology of the University of Aveiro (Portugal) and a member of the Research Centre on Didactics and Technology in the Education of Trainers. She participates in international projects concerning teacher education and language education, linguistic diversity, inter-comprehension, pluri-lingualism and multiculturalism. She is an associate partner of the project "Resources for assessing the home language competences of migrant pupils" of the ECML, Council of Europe and member of the Association EDILIC (www.edilic.org). She is author and co-author of different articles in international journals and book chapters.

Ms. Marina Nédio is a doctoral student in Teaching Methodology and Curriculum Development at the Universidade de Aveiro, Portugal and is presently conducting research and Portuguese language courses in Goa.
