Report on « La présentation et la dégustation des recettes indiennes »

As a part of the course “French for Hotel and Tourism”, a session was conducted on « La présentation et la dégustation des plats indiens ». The session was conducted with the SYBA students of the discipline of French and Francophone Studies by Ms. Shourya Dalvi on 14th December 2023. One of the modules in the above-mentioned course deals with the names of various ingredients – fruits, vegetables, spices, nuts and seeds, fish, meat among others. The module also consists of various French verbs used in cooking or in explaining a recipe.

The activity required the students to use the vocabulary they have learnt in class as a part of this course. The students had to think of an Indian dish they would like to bring, prepare a list of ingredients along with the quantity used in the recipe. They had to write a step-by-step recipe of the dish. On the day of the activity, they had to explain the ingredients and the preparation of the dish to the class in French. The activity concluded with everyone relishing the dishes that were prepared. The activity helped the students in using the vocabulary they learnt and improving their spoken and presentation skills.
