11. Description of the Program/activity/event	<p>In modern times where many language tools and technology are being developed, we see there is a rise in Literature being written in many forms but the main thing that was supposed to be focused on is the language. There are many seminars organized every year at the All-India level but hardly their topic is language. There is a need to prevent the deteriorating condition of Indian</p>

	<p>languages. Linguistics and Grammar are not discussed openly in any seminar. There was a time when long discussions were happening on even a single word. Now no one is careful while using the language. The seminar will purely focus on the Linguistics and Grammar of Hindi and Konkani languages respectively and will be useful for all the language lovers across the state and country. This seminar will help in standardizing the Linguistics and Grammar of Hindi and Konkani languages. As Konkani is the Official Language of Goa and there is a need for the hour and there are scopes in the Translation from Konkani to Hindi, this will benefit both language lovers.</p>
<p>12. Benefit/Key outcomes of the Program/activity/event</p>	<p>Students and staff of various colleges and Goa University learned many new things and changes in the Grammar and Linguistics in Hindi. They were also able to learn the modern changes which are developed recently in Hindi, and also current AI technology and uses in language. It was useful also for the language enthusiasts who are interested in translation.</p>
